## Compare our marquee weights and prices

Some of our competitors will say their marquee is the best on the market. Before purchasing any marquee, shop around, ask questions and make an informed decision.

## Why use Extreme Marquees?

### Built tough for harsh Australian conditions

**Our marquees are generally heavier and boast greater strength, stability, reliability and safety than the others.**

- Reinforced high grade polished aluminium frame
- Oversize 37mm and 40mm aluminium outer legs
- Inner legs are reinforced 30mm aluminium
- Flame retardant and waterproof
- Internal flap with eyelets to hang walls
- Ceiling panels for cooler climate
- Unique locking system
- Display bars
- Roof D-Rings for LED lighting
- 2 Year Full Guarantee
- 3 Year finance option available

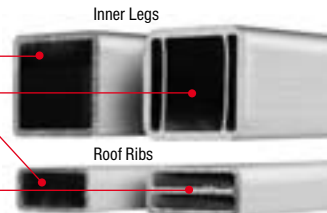

### Compare our quality commercial grade construction...

Theirs: Hollow Legs

Ours: Reinforced Legs

Theirs: Hollow Ribs

Ours: Larger Ribs with reinforced panels for ultimate roof strength
